FLEUR DES ALPES

Fleur des Alps celebrates the mystical scenery that lies within Switzerland.
Featuring eight spectacular pieces, this series celebrates radiant gemstones
with the daring and modern design of the alpine flower.

MORNING BLUSH

Venture to the summit of a fabulous Swiss glacier in our Morning Blush collection. Designed to take your breath away, these pieces feature elements such as floating pink diamonds or a row of round-cut diamonds nestled between those with teardrop shapes to create a perfect gradient from intense pink to sparkling white.

CLOVER OF THE VALLEY

The four-leaf clover is a rare creation of nature where true beauty unfolds in the extraordinary and unique. This inspiration has birthed our Clover of the Valley range, exploring that magical whim of nature to tell a sensual story of luck, prosperity and passion.

EMERALD MEADOWS

A celebration of the divine and vivid shades of green, Emerald Meadows is inspired by the exquisite gemstone, while the green valleys of Switzerland remains at the heart of this classic collection.

PASTELLO SOIRÉE

2021 marks two decades of Pastello. Our new Pastello Soirée collection celebrates extraordinary pastel-colored natural spinels for a delicate and feminine look.

SOLEIL SUISSE

Soleil Suisse radiates like the bright and profound Swiss sun gazing down from the Alps. Featuring extraordinary yellow diamonds, this collection is unlike any other.

LADYBIRD

Ladybird sings an ode to the free spirit of joy and endless passion. Indulge in liberating beauty.

Lady Bird Stars of America is Bucherer's homage to this fascinating country. Symbolizing freedom and a desire to pursue dreams, the Stars of America have proudly made it to the USA in her trio of colors: Red, White and Blue.

ABOUT BUCHERER FINE JEWELLERY

Since its inception in 1888, Bucherer Fine Jewellery has consistently strived to create works of art that combine extraordinary gemstones with exquisite design and craftsmanship. Introducing our heritage into the United States, the jewelry house created a magical Haute Joaillerie collection inspired by the beautiful landscapes of Swiss nature.

Every piece is unique, one of a kind and exclusively available in the United States. Our in-house design team has created a broad spectrum of masterpieces, ranging from bold and daring to classic and divine. Fall in love with Bucherer Fine Jewellery.
