WHY TOURNEAU?

MORE THAN JUST A WATCH

Think of the watch you purchase from Tourneau Corporate Sales as a trophy the recipient can wear every day. It's a gift with value beyond the price tag, letting the wearer know they are appreciated and their work prized.

INSTILLING LOYALTY

The average watch wearer looks at their timepiece about 40 times per day. Give them a name and a look that truly conveys your appreciation and you can be sure they'll never forget it.

A DAILY ACCESSORY

A gift from our program serves as a near constant reminder of how one's work is valued—and of the company that values it—every day for generations.

SYMBOLS OF SUCCESS & STATUS

Our watches, jewelry and accessories are symbols of success your customers and employees will be proud to show off.

PERSONAL, FASHIONABLE, FUNCTIONAL

Many of the timepieces we offer feature functions that range from calendars to chronographs, and with everything from glittering diamond dials to sporty rubber straps, there's a look to match every personal style.

A LASTING IMPRESSION

Whether you're honoring a long-time employee's years of service or rewarding customers for their loyalty, one of our products will deliver the lasting impression you're looking for.

PERSONALIZATION

Make it truly yours with a company logo engraved on the caseback, personalized engraving or even a company logo dial imprint available on some models.
